The Catholic University Bulletin.

"Let there be progress, therefore; a widespread and eager progress in every century and epoch, both of individuals and of the general body, of every Christian and of the whole Church, a progress in intelligence, knowledge and wisdom, but always within their natural limits, and without sacrifice of the identity of Catholic teaching, feeling and opinion."—ST. VINCENT OF LERINS, *Commonit, c. 6.*

GRADUATE THEOLOGICAL UNION 1962
